To our members of Huntington Lakes, Inc.

OUR CITIZEN OBSERVER PATROL UNIT NEEDS YOUR HELP!

The men and women of our unit are proud of their service to Huntington Lakes. We are actively seeking volunteers to join our team! To explain further, C.O.P. stands for Civilian Observer Patrol, a Palm Beach County Sheriff's Office volunteer program. And the name tells you just what our volunteers do...Our volunteers observe and report to 9-1-1 anything that seems to need the attention of the Sheriff's Department. Examples include suspicious persons, vehicle accidents, property found, graffiti, and more.

REQUIREMENTS:

If you'd like to become a part of this rewarding and productive community unit, the process is rather simple: You will need to attend basics 1 and 2 (2 full days), one half-day of computer class, and then field training – usually up to 4 half-day sessions. Once you've completed your training, you'll be issued a uniform shirt and any other equipment you might need for a specialty unit – radio, bicycle, etc.

(DON'T FORGET TO ASK ABOUT OUR SPECIALITY UNITS AS WELL! THERE MAY BE SOMETHING YOU HAVE A SPECIAL SKILL IN, AND OUR PBSO VOLUNTEERS COULD USE YOU!)

Breathe Easier. Lung Cancer Diagnosis and Treatment in Just One Day

Stephen Milan, MD
Pulmonologist

John Roberts, MD
Thoracic Surgeon

If lung cancer is found at an earlier stage, it is more likely to be treated successfully.

At Delray Medical Center, we are the only hospital in South Florida to biopsy, diagnose, and potentially treat suspected lung cancer with surgery in just one day. This streamlined approach minimizes wait times and patient anxiety.

The innovative Ion robotic platform allows for improved access to hard-to-reach areas of the lung, enabling physicians to navigate the intricate anatomy of the lungs with precision, facilitating earlier detection and minimally invasive treatments.
